

# **Emergency Medical Services Faculty Opportunity**

Baystate Health, western Massachusetts' premier healthcare provider and home to the University of Massachusetts Medical School – Baystate, is seeking an Emergency Medical Services physician to join our organization.

## **Position Highlights –**

- Join our team of 3 progressive EMS physicians who provide oversight of EMS at our 4 hospitals
- Assist with the oversight and delivery of a variety of services to urban, rural, municipal, volunteer, private, and Fire Department-based agencies. Academic time to organize and direct our regional EMS system in conjunction with our Regional EMS Medical Director and EMS coordinators.
- Baystate Medical Center, the region's only level I Trauma and tertiary care referral center, serves over 126,000 annual ED visits.
- Our 5 EDs serve a combined volume of over 200,000 annual visits.
- More than 40,000 EMS arrivals are brought to Baystate Medical Center annually.

**YOU BELONG AT BAYSTATE.** Your motivation and ideas will help advance EMS in Western Massachusetts. Become part of our pre-hospital community serving those in need. At Baystate Health we know that treating our patients and colleagues with dignity and equity motivates and fosters a sense of community, not only within our organization, but also the community and patients we serve. It is how we advance the care and enhance the lives of all those we touch.

**Qualifications:** ABMS BC/BE in Emergency Medical Services is required. A focus on pre-hospital clinical research and quality improvement is highly desirable, as is a strong commitment to collaboration, quality, systems integration, and lifelong learning.
