

## **EMS System Director with Lifebridge Health in Baltimore, Maryland**

As an EMS System director at USACS, you will plan, organize, direct and coordinate to ensure efficient and effective emergency and ambulatory services. You will also be required to work collaboratively with the medical director and supporting staff to formulate EMS policies and procedures.

At USACS, you'll be part of a team unique in today's industry. USACS provides physicians with ownership, unparalleled benefits and the opportunity to practice within a values-based model emphasizing quality, long-term wealth building and a culture of shared ownership. USACS physicians enjoy the security and resources of a large, national group without sacrificing the advantages typically found in local EM groups.

### **Details**

- The candidate will oversee the EMS programs at Grace Medical Center, Northwest Hospital & Sinai Hospital
- Conducts in-service training to support the EMS program at the hospital for EMTs, paramedics, and emergency physicians
- Provides the quality management oversight of paramedics and EMTs who function under direct medical control of the base hospital
- Participates in and completes EMS care chart audits as specified by the base hospital policy and/or State EMS regulations

### **Benefits**

- Equity for all full-time physicians
- Industry-leading, company funded 401k
- Annual CME/BEA (Business Expense Account)
- Outstanding professional development programs
- Student loan refinancing as low as 2.99%
- Groundbreaking Paid Parental Leave & Pioneering Paid Military Leave
- Short- and long-term disability (own occupation)
- Comprehensive medical, dental, vision and Rx coverage
- The best medical malpractice including tail coverage
- Location flexibility and stability of a national group
