

Mercyhealth Associate EMS Medical Director

Mercyhealth is seeking BE/BC Emergency Medicine Physicians to join an award-winning fully integrated health care delivery system as an Associate EMS Medical Directors for Southern Wisconsin and Northern Illinois. An EMS Fellowship is not required – our experienced EMS physicians will train applicants with a passion for EMS and desire to learn. You will join seven other EMS physicians working to build a geographically diverse high performing EMS system. Mercyhealth encompasses more than 80 clinics across the Northern Illinois and Southern Wisconsin region, with over 700 employed physicians. Mercyhealth was recently included on the Becker's Hospital Review list of top 150 places to work in healthcare.

Opportunity:

- Work five clinical shifts in one of our six Emergency Departments in the region, and ten call shifts on one of our well-equipped MD-1 EMS physician response vehicles.
- MD-1 EMS physician response vehicles include Sonosite US, Glidescope, Zoll X, LUCAS 2, emergency warning package, and integrated public safety communication packages
- REACT Air Medical program flight and flight crew teaching time available
- Find your niche teaching, doing research, or responding daily with our nearly 105 Dispatch, EMS, Fire, and Law Enforcement agencies
- Three EMS training centers (EMT through Medic) and Tactical training center (RTF through TEMS), with incredible support staff and EMS instructors to support our mission
- Two dedicated EMS High Fidelity Simulation Labs with an entire family of mannequins
- Hospital committee leadership roles available to continue to improve care to our patients and represent EMS
- Designated Level I and Level II trauma centers, primary stroke centers, chest pain centers with PCI, Pediatric ICU, and Level III NICU
- New Family Medicine and Internal Medicine residency programs open in July 2019

Compensation & Benefits:

- Highly competitive compensation with incentive bonuses, along with our outstanding benefits package including: paid malpractice, medical licensure reimbursement, health and dental benefits, CME, relocation assistance, retirement plan, and more.
- Sign-on bonus and student loan forgiveness negotiable.

Communities:

Your home base could be anywhere in proximity to the following locations: Janesville or Lake Geneva, Wisconsin, or Rockford or Harvard, Illinois.
