National Association of EMS Physicians® Annual Meeting

January 11-16, 2021

JW Marriott Austin

Austin, Texas

Call for Abstracts and Submission Rules

Submit research abstracts [here!](#)

GENERAL INFORMATION

The National Association of EMS Physicians® is calling for research abstracts to be presented at the NAEMSP® 2021 Annual Meeting in Austin, Texas. Authors are urged to submit original work involving EMS or resuscitation research. The full spectrum of research will be considered, including basic science, clinical, epidemiological, health services, operational, economic, and educational studies. Physicians, research scientists, out-of-hospital care providers, and administrators are all encouraged to participate.

All abstracts will be peer reviewed in a blinded fashion by NAEMSP® Research Committee members. Abstracts will be selected for oral or poster presentation. The exact numbers in each category will be determined by the number of submissions, time and space limitations at the meeting venue, etc.

Awards will be presented at the Awards Luncheon at the Annual Meeting for:

- Best Scientific Presentation
- Best Poster Presentation
- Best Resident/Fellow Presentation
- Best Pediatric Presentation
- Best EMS Professional Presentation
- Best Cardiac Arrest Presentation

All accepted abstracts will be published in *Prehospital Emergency Care (PEC)*, the official journal of NAEMSP®. Manuscript submission to *PEC* is encouraged, but not required. Research submitted for consideration may not have been published previously, though prior presentation within 90 days of the meeting is acceptable.

ABSTRACTS MUST BE SUBMITTED ELECTRONICALLY through the dedicated submission site, [here](#).
