Submit research abstracts here!

GENERAL INFORMATION

The National Association of EMS Physicians® is calling for research abstracts to be presented at the NAEMSP® 2022 Annual Meeting in San Diego, California. Submissions should report the original work of its authors with timely and explicit relevance to stakeholders of the EMS profession. The full range of formal scientific inquiry will be considered, including but not limited to: basic science, clinical trials, epidemiological studies, translational or applied research, improvement science (quality/performance), educational studies, systematic reviews/meta-analysis. Physicians, research scientists, out-of-hospital care providers, and administrators are all encouraged to participate.

All abstracts will be peer reviewed in a blinded fashion by NAEMSP® Research Committee members. Abstracts will be selected for oral or poster presentation. The exact numbers in each category will be determined by the number of submissions, time and space limitations at the meeting venue, etc.

All accepted abstracts will be published in Prehospital Emergency Care (PEC), the official journal of NAEMSP®. Manuscript submission to PEC is encouraged, but not required. Research submitted for consideration may not have been published previously, though prior presentation within 90 days of the meeting is acceptable.

Abstracts MUST BE SUBMITTED through the dedicated submission site, here.

★★★★ DEADLINE: Monday, August 9, 2021 (11:59 p.m. ET) ★★★★

Abstracts must be received electronically by 11:59 PM Eastern Time, on Monday, August 9, 2021 (no exceptions!).

Questions can be directed to the NAEMSP® Executive Office by e-mail at cbross@kellencompany.com or (913) 222-8626.

ELECTRONIC SUBMISSION RULES

1. Abstracts must be submitted through the dedicated submission site.
2. Abstracts must be submitted by 11:59 p.m., Eastern Time on Monday, August 9, 2021. Late submissions are NEVER considered.
3. To ensure blinding, no identifying information should appear in the abstract.
4. The abstract must include:
   a. Statement of purpose or hypothesis, with brief introductory material as needed.
   b. Description of research methods, including study design, setting, participants/subjects, interventions/observations, etc.
   c. Summary of results presented in sufficient detail to support conclusion, with brief mention of statistics used (p values, confidence intervals, etc.) to reach conclusions.
   d. Statement of conclusions reached, with key limitations stated if needed.
   e. Word Count Limit: 350 words
5. For posters to be considered for an award, a PDF of the poster presentation is due by 11:59 pm Eastern Time on Monday, December 6, 2021.
