# Introduction

This document is intended to help National Association of EMS Physicians (NAEMSP) members understand and follow processes for successfully initiating NAEMSP chapters in their region. For NAEMSP, chapters are natural extensions of the organization's national and international efforts to foster excellence in out-of-hospital emergency care through regional and grassroots advocacy and action.

For NAEMSP members, chapter membership provides the following recognized benefits:

- Professional growth within the specialty of EMS
- Networking with people of similar interests
- Potential for leadership at the local level which can lead to potential national leaders
- Communication network at the local level
- Promote awareness of EMS within the EMS field and the community
- Participation in educational programs at the local level
- Partnership with the national organization and other NAEMSP chapters
- Camaraderie with others in a geographic area

NAEMSP chapters are defined geographically, and may be comprised of single or multiple regions, states, provinces, or countries. The chosen boundaries reflect the common interests or culture of each chapter's constituents and are designated by the NAEMSP Board of Directors.

*Each chapter member must be an NAEMSP member to qualify for chapter membership.* NAEMSP members who wish to know more about starting a chapter in their areas will find this document useful. It is also available on the NAEMSP website. Additional questions can be answered by contacting us at [info-NAEMSP@NAEMSP.org](mailto:info-NAEMSP@NAEMSP.org).

# Chapter Charter Process

1. Having met the Chapter Formation Guidelines (see next page), the group may apply to the NAEMSP Board of Directors for an NAEMSP Chapter charter by submitting [Form A – Chapter Intention Form](#) to the [Executive Office](#).
2. Upon receipt of the Chapter Intention Formation form, NAEMSP's Executive Office will review the application to make certain that all of the formation criteria have been met, including verification of current NAEMSP membership. If problem(s) exists with the submission, the Executive Office will notify the forming chapter president within three weeks of receipt of the chapter petition. They will work with the forming chapter to correct any deficiencies.
3. Executive Office will provide approval to proceed with Chapter formation.
4. Upon completion of the charter requirements (formation meeting, naming of officers, establishment of bylaws), Chapter will submit Form B – Petition to Charter with its proposed bylaws and list of chapter officers.
5. The NAEMSP Executive Director, acting on behalf of the Board of Directors, will review the chapter's submitted materials and provide approval or a request for clarification or additional information.

The NAEMSP Board of Directors is ultimately responsible for granting a charter. The decision is final and binding. At no time shall a group call themselves a chapter of NAEMSP, formally recruit for membership, or collect any dues without formal charter approval.

# Chapter Formation Guidelines

To become an NAEMSP Chapter, a group must meet the following guidelines, abide by the NAEMSP Bylaws, and, at the discretion of its Board of Directors, must affirm having done so through a petition to charter as an NAEMSP chapter.

1. A minimum of five voting members is required to initiate an NAEMSP Chapter.
2. Core chapter leadership (officers) requires a minimum of five members (can be same five).
3. Chapter boundaries:
  - Generally a US state, but designated geographic boundaries (state/province/country or more than one state/province/country – example [Missouri/Iowa Chapter](#)).
  - Boundaries of chapters are exclusive, meaning there cannot be overlapping boundaries.
  - It is possible that boundaries might change as new chapters are developed. Decisions regarding chapter boundaries are made by the Board of Directors in consultation with existing and proposed leadership of affected chapters. Chapters shall be named according to the convention “NAEMSP - \_\_\_\_\_ Chapter” For example, NAEMSP Wisconsin Chapter.
  - Existing chapters using only the name of the state as their name may retain that name only until such time that a second chapter might be chartered in that state. If that should become the case, the existing chapter must also change its name.
4. Chapter bylaws that are consistent with NAEMSP bylaws. Bylaws should include (see [Sample Bylaws](#)):
  - Purpose statement that is congruent with NAEMSP’s
  - Membership requirements consistent with NAEMSP’s bylaws
  - Provisions for at least one meeting per year, including an annual business meeting of the chapter
  - Provision for an administrative and fiscal year from July 1 to June 30.
5. Chapter budget (OPTIONAL - if dues will be collected and utilized for expenses, i.e. meeting costs).

# Starting a Chapter

1. Assemble a list of prospective members and contact them indicating intent to form an NAEMSP Chapter.
  - a. Current NAEMSP members
    - [Click here](#) to visit the NAEMSP website to access the Membership Directory.
    - Filter a search by state.
    - Export current NAEMSP members.
    - Email current NAEMSP members information regarding the intent to initiate a state chapter and your plans for holding a chapter organizational meeting.
  - b. Prospective members - You may want to broaden your prospective members by drafting a notice to interested EMS groups notifying them of plans to hold a state chapter organizational meeting.
    - Hospitals
    - Specialty facilities
    - Free-standing facilities,
    - Community/state agencies
    - Educational institutions, etc.
2. Complete [Form A – Chapter Intention Form](#) to initiate an NAEMSP chapter and submit it to the [NAEMSP Executive Office](#).

Upon submission, the NAEMSP Executive Office will:

- Establish a [Chapter webpage](#)
- Provide access to the Chapter Presidents/Officers Basecamp site.

*Upon approval to proceed with Chapter formation:*

3. Prepare a formation meeting agenda (see next page for a suggested agenda). Designate a chairperson and secretary pro tem at the initial meeting. Draft chapter bylaws (see [Sample Bylaws](#)).
  - a. Coordinate meeting date and location.
  - b. Notify potential attendees meeting information and request reply.
  - c. Prepare a meeting agenda (see Suggested Formation Meeting Agenda) and include the following for each attendee:
    - [Sample Chapter Bylaws](#).
    - A [Chapter Officer Nomination](#) form.
    - A [Chapter Sign-Up](#) form to collect a roster of *committed* members - name, affiliation (company), address, email address and phone number of each person attending the meeting.
    - Include [NAEMSP member information](#) to non-members.
4. Conduct Board Meeting (see next page for suggested agenda).
5. Complete [Form B - Petition to Charter](#) and submit it with its supporting documentation to the [NAEMSP Executive Office](#).

## ***Suggested Meeting Agendas***

### **Formation Meeting Agenda**

1. Welcome guests.
2. Introduce Chapter Formation Committee.
3. Request attendees to introduce themselves and state their employment affiliation.
4. Explain the purpose of the meeting and discuss merits of a state chapter.
5. Determine chapter boundaries.
6. Request motion to proceed with chapter formation.
7. Discuss and adopt bylaws.
8. Provide opportunity for guests to become NAEMSP members.
9. Discuss whether chapter membership dues will be required – see Considerations (Note: Submission of a proposed budget is strongly suggested).
10. Nominate officers as outlined in bylaws. A president, vice-president or president-elect and secretary-treasurer should be selected. Additional board members may be selected as needed.
11. Have charter members sign petition for chapter charter.
12. If possible, set date and location for initial membership meeting, to be held after charter is officially approved by NAEMSP.
13. If possible, set date for board meeting.

### **First Board Meeting Agenda**

1. **Determine Chapter Address** - The chapter will need an official address. It is encouraged that such address be a post office box and less ideally a chapter officer's address.
2. **Determine Communication Method** – Upon request the NAEMSP Executive Office can set up a Basecamp group for the Chapter. Consider additional communication systems for membership, e.g., newsletter, email, etc., if necessary.
3. **Determine Leadership** - Appoint chapter committees and chairpersons, if any.
4. **Appoint a liaison** to work with NAEMSP Executive Office staff.
5. **Finalize bylaws** and review officer responsibilities.
6. **Complete and submit Form B - Petition for Chapter Charter** with a copy of the adopted bylaws, and a chapter membership list to NAEMSP Executive Office within thirty days of chapter formation.

# Considerations

## Bylaws

[Sample bylaws](#) are provided as a guided resource as each chapter should review and revise the bylaws to best fit its need, including defining the Chapter's purpose that is consistent with NAEMSP's. Remember, Bylaws are best left vague and should not outline specifics, including monetary issues that could potentially change over time. The term "board of directors" is used throughout because that is the usual name of the governing body; it can be changed.

## Communication

Basecamp is an NAEMSP-provided resource. You may request set-up of a Basecamp site for use by your members, however, the chapter is responsible for inviting members to use it and monitoring their membership status.

## Dues

Chapters may establish dues for their members at their discretion in accordance with their own bylaws. All funds, including collection of dues, shall be forwarded to and managed by the NAEMSP Executive Office. Twenty percent (20%) of collected dues will be transferred to NAEMSP as an overhead charge. Remaining funds will be accounted for separately to effectively make them available for chapter expenses.

- If a chapter wishes to implement annual dues, the Executive Office must receive notification by August 1 so that programming can be achieved prior to NAEMSP's membership renewal cycle (which generally kicks off in October).
- Chapter dues are annual and will not be prorated.
- If a chapter chooses to implement dues, chapter participation is limited to dues-paying members (see "Membership" below).

## Goals and Objectives

Each chapter can set goals for achieving its broad purpose as well as addressing specific chapter needs. In general, these goals are established each year at the beginning of the officers' terms. From that point, specific objectives can be set to meet these goals.

Specific time lines should be established for each objective so that progress can be measured and completion can be verified.

## Meetings

- Meeting space at NAEMSP's annual meeting will be provided at no cost to the chapter, however catering, nor AV will be available (a la Committee Meetings). The chapter must submit a Meeting Space Request form, which will be posted in Basecamp.
- Board and other chapter membership meetings must be organized by chapter leadership.

## Membership

The chapter is responsible for maintaining its membership list, ensuring that all its members are in good standing with their NAEMSP membership dues. Only NAEMSP members are allowed access to its resources. **If a chapter member lapses his or her NAEMSP membership, the chapter must remove that member from Basecamp and terminate the former member's participation in the chapter.**

- **Non-Dues-Paying Chapters** – The chapter is responsible for pulling an NAEMSP membership list annually from the online Membership Directory (ideally after March 1), filtered by state.
- **Dues-Paying Chapters** – Upon request, NAEMSP can provide a membership list for those members who have paid a state’s chapter dues for the year. As a reminder, only chapter-dues-paying members may participate in chapter activities, including officer elections.

## **Officers**

Proposed Chapter officer roles are not limited to those outlined in the [sample bylaws](#). Chapters may consider at-large positions, as well roles held by physician members versus professional members.

- A [nomination form](#) is included in this packet for use during the chapter’s formation meeting.
- [Electionbuddy.com](#) is a service that may be used to conduct elections.

### **Chapter President**

1. The president of a chapter is its chief administrative and executive officer. This office is responsible for seeing that the board meets regularly and functions effectively, and that members of the board understand and adequately discharge their duties.
2. The president calls all meetings of the board and instructs the secretary to issue appropriate notices to board members.
3. The president presides at all meetings of the board and of the chapter unless this responsibility is designated to some other board member.
4. The president is responsible for the appointment of standing and special committees, as provided in the bylaws.
5. The president submits an annual chapter report by July 1 to the NAEMSP Executive Office ([FORM C – Annual Chapter Report](#))
6. The president or designee shall represent the chapter at the NAEMSP annual business meeting.

### **Chapter President-Elect or Vice President**

1. The purpose of this position is to fulfill the obligations of the president during the president’s absence and to serve as a training ground for the office of president.
2. The president-elect/vice president should be assigned duties by the board that will allow the person to become familiar with the leadership role within the organization.
3. The president-elect/vice president is often assigned the responsibility of program chair and is therefore largely responsible for the educational format of each chapter meeting.

### **Chapter Secretary**

1. It is the secretary’s responsibility to present communications to the board for appropriate action and to keep the NAEMSP Executive Office informed of chapter activities.
  2. The secretary’s duties include distribution of notices in conjunction with chapter meetings, including the distribution of agendas, maintenance of membership attendance records, and preparation of minutes of all meetings of the chapter.
  3. The secretary is responsible for maintenance of an up-to-date record of names and addresses of all chapter members and reports of new members to the NAEMSP Executive Office.
  4. NAEMSP will collect the chapter members’ dues with their annual National dues renewal. 20% of this fee will be retained by NAEMSP for expenses purposes and the remainder will remain in a line item in the NAEMSP financials for the chapters’ use.
-

## **Chapter Board of Directors**

1. The Chapter Board of Directors, under the leadership of the president, is responsible for the general management and successful operation of the chapter. It is composed of the president, president-elect, secretary, and two (2) elected directors. The elected director's terms are two (2) years. The board reviews and takes appropriate action on recommendations presented to it, authorizes or confirms the appointment of special committees, and takes action on proposals submitted by such committees.
2. Meetings of the Board of Directors shall be held as the need arises, but at least quarterly.

# Guidelines for Continuing Chapter Operation

To continue its status as an NAEMSP Chapter, the Chapter must

- Submit Form C – Annual Report to the NAESMP Executive Office *annually* – Due July 1
- Maintain a minimum of five chapter members.
- Provide evidence of at least one meeting during the year, including an annual business meeting. This meeting must be in addition to any meeting held in conjunction with NAEMSP’s annual meeting/conference. These meetings can be outlined on the Chapter’s Annual Report
- Note that the administrative and fiscal year begins July 1 and ends June 30.
- Note that membership, however, runs the calendar year, January 1 through December 31.
- Chapter dues, if any, will be billed and collected during NAEMSP’s annual renewal cycle, and will not be prorated.

## Provisional Status

The NAEMSP Board of Directors may place a chapter on provisional status if it does not appear to meet the chapter operation guidelines. If the omissions are not corrected by the next operating year, the charter may be revoked.

1. If the chapter does not meet any of the operation guidelines at the time of the chapter’s annual report, a three-month grace period will be extended. During this time, the NAEMSP Membership Committee Chair or designees are available to assist the chapter to meet the criteria. For example, assistance may take the form of suggestions for recruiting, fund raising, and/or educational programming.
2. At the end of this three-month grace period, the chapter will submit an addendum to the annual report, showing that it has been able to meet the criteria. If this is not completed, the chapter will be placed on provisional status for the remainder of the year.
3. During this period the Membership Committee Chair and NAEMSP Executive Office will communicate regularly with the chapter leadership and keep the NAEMSP Board of Directors apprised of the chapter’s progress.

At the end of the next year, the chapter will file another report (July 1), including all the required information. If the chapter still does not meet the operation guidelines, the charter may be revoked and dissolved.
