

EMS Medical Director General Liability Insurance

You make sure people's lives are in good hands as an oversight physician, administrator, risk manager and community liaison; don't you think it's time you had a little extra help?

Overseeing first responders is a big responsibility whether they're in the air, on the ground or anywhere in between — and with great responsibility comes greater liability.

We'll go above and beyond to fill the professional liability gaps missing in your standard medical malpractice protections to keep you covered through thick and thin.

Talk to us today about how we can craft a custom solution, including:

- Automatic cover for locum tenens
- Employment practices
- False arrest
- Incidental bodily injury caused by direct patient care
- Libel/slander
- Medical fraud
- Medical oversight errors
- Sexual misconduct civil suits

Let's keep people protected, together.
