ARTICLE XIV. Miscellaneous Provisions

Section 1. Indemnification

A. The Association will indemnify every person (and the heirs and personal representatives of such person) who is or was a Director, officer, or agent of the Association against all liability and reasonable expense from any claim, action, suit, or proceeding arising from their role in the Association (i) if such Director, officer, or agent is wholly successful with respect thereto or (ii) if not wholly successful, then if such Director, officer or agent is determined to have acted in good faith, in what he/she reasonably believed to be the best interest of the Association, and, in addition, with respect to any criminal action or proceeding, is determined to have not had reasonable cause to believe that his/her conduct was unlawful. The termination of any claim, action, suit, or proceeding, by judgment, settlement (whether with or without court approval), or dismissal shall not be used to create a presumption that a Director, officer, or agent did not meet the standards of conduct set forth in this Section.

B. The terms "claim, action, suit, or proceeding" shall include any claim, action, suit, or proceeding and all appeals thereof (whether brought by or in the right of the Association, any other corporation or otherwise), civil, criminal, administrative or investigative, or threat thereof, in which a Director, officer or agent of the Association (or his/her) heirs and personal representatives) may become involved, as a party of otherwise:

1. By reason of his/her being or having been a Director, officer, or agent of the Association or of any corporation which he served as such at the request of the Association, or
2. By reason of his/her acting or having acted in any capacity in a partnership, association, trust, or other organization or entity where he/she served as such at the request of the Association, or
3. By reason of any action taken or not taken by him/her in any such capacity, whether or not he/she continues in such capacity at the time such liability or expense shall have been incurred.

C. The terms "liability" and "expense" shall include, but shall not be limited to, counsel fees and disbursements and amounts of judgment, fines, or penalties against, and amounts paid in settlement by or on behalf of, a Director, officer, or agent.

D. The term "wholly successful" shall mean:

1. Termination of any action, suit, or proceeding against the person in question without any finding of liability or guilt against him/her.
2. Approval by a court, or by any other means with knowledge or the indemnity herein provided, of a settlement of any action, suit, or proceeding.

3. Or, the expiration of a reasonable period of time after the making of any claim or threat of an action, suit or proceeding without the institution of the same, without any prepayment or promise made to induce a settlement.

E. The rights of indemnification provided in this Section shall be in addition to any rights to which any such Director, officer, or agent may otherwise be entitled. Irrespective of the provisions of this Section, the Board of Directors may, at any time and from time to time, approve indemnification of Directors, officers, or other agents to the full extent permitted by the provisions of South Carolina law at the time in effect, whether on account of past or future transactions.

Expenses incurred with respect to any claim, action, suit, or proceeding may be advanced by the Association (by action of the Board of Directors, whether or not a disinterested quorum exists) prior to the final disposition thereof upon receipt of a written request for same and an undertaking by or on behalf of the recipient to repay such amount unless he/she is entitled to indemnification.

Section 2. Liability

The members or Board of Directors shall not be liable for the debts of the Association.

ARTICLE XV. Bylaw Amendments

These Bylaws may be amended by simple majority vote at any meeting of the general membership at which there is a quorum, provided that a copy of any proposed amendment shall have been sent to each Physician Member, Fellow Physician Member, and Professional Member at least thirty (30) days prior to the meeting, with a notice of such meeting. All Physician Members, Fellow Physician Members and Professional Members may vote.

Section 1. Effective Date

These Bylaws were originally voted on by a called meeting of the membership of the Association in Naples, Florida on January 7, 1994. They became effective immediately upon ratification. Amendments to the Bylaws will take effect immediately upon ratification of the amendments by the membership, unless otherwise specified.
