

## 2023 Annual Meeting

January 23–28, 2023

JW Marriott Tampa Water Street • Tampa, FL

**Call for Research Abstracts: Submit Your Abstracts [Here!](#)**

### General Information

The National Association of EMS Physicians® is calling for research abstracts to be presented at the NAEMSP® 2023 annual meeting in Tampa, Florida. Submissions should report the original work of its authors with timely and explicit relevance to stakeholders of the EMS profession. The full range of formal scientific inquiry will be considered, including, but not limited to, basic science, clinical trials, epidemiological studies, translational or applied research, improvement science (quality/performance), educational studies, and systematic reviews/meta-analysis. Physicians, research scientists, out-of-hospital clinicians, students and administrators are all encouraged to participate.

All abstracts will be peer-reviewed in a blinded fashion by NAEMSP® Research Committee members. Abstracts will be selected for oral or poster presentation. The exact numbers in each category will be determined by the number of submissions, time and space limitations at the meeting venue, etc.

All accepted abstracts will be published in *Prehospital Emergency Care (PEC)*, the official journal of NAEMSP®. Manuscript submission to *PEC* is encouraged, but not required. Research submitted for consideration may not have been published previously, though prior presentation within 90 days of the meeting is acceptable.

**ABSTRACTS MUST BE SUBMITTED THROUGH THE DEDICATED SUBMISSION SITE: [Click Here.](#)**

**★ ★ ★ DEADLINE: Monday, August 8, 2022 (11:59 p.m. ET) ★ ★ ★**

Abstracts must be received electronically by 11:59 PM Eastern Time, on **Monday, August 8, 2022 (no exceptions!)**. Questions can be directed to the NAEMSP® Executive Office at [info-NAEMSP@NAEMSP.org](mailto:info-NAEMSP@NAEMSP.org) or (913) 222-8626.

### ELECTRONIC SUBMISSION RULES

1. Abstracts must be submitted through the dedicated submission site.
2. Abstracts must be submitted by 11:59 p.m., Eastern Time on **Monday, August 8, 2022**. Late submissions are **NEVER** considered.
3. To ensure peer-review blinding, no identifying information should appear in the abstract.
4. The abstract should include the following elements:
  - Brief introductory/background information to as needed to establish context.
  - Statement of purpose, research question(s), study objectives/aims, and/or hypothesis as warranted based on the design of the study being reported
  - Description of scientific methods employed, including study design, setting, participants/subjects, interventions/observations, etc.
  - Summary of results presented in sufficient detail to address any stated research questions or hypotheses, with brief mention of statistics used (p-values, confidence intervals, etc.).
  - Statement of conclusions reached, supported specifically by the results reported, and with key limitations stated if needed.
  - Word count limit: 350 words
  - No mention of institutional review board or other ethical approval is needed in the abstract, as authors attest to this during the online submission process.
5. For posters to be considered for an award, a PDF of the poster presentation is due by 11:59 pm Eastern Time on Monday, December 5, 2022.
