

NAEMSP® National EMS Medical Directors Course & Practicum®

January 8-10, 2024

Overview and Objectives/Who Should Attend

This interactive course focuses on Emergency Medical Services (EMS) in the “real world,” and serves to enhance the students’ expertise in EMS issues. In addition to curriculum elements that run the range and depth of issues vital to EMS medical directorship, the students will have many opportunities throughout the course to network with faculty and fellow students to critically evaluate their system. The companion text for the course is the two-volume *Emergency Medical Services: Clinical Practice and Systems Oversight*, by David C. Cone, MD; Jane H. Brice, MD, MPH; Theodore R. Delbridge, MD, MPH; J. Brent Myers, MD, MPH. The textbooks are available for purchase directly from the publisher. Please visit our website for details or inquire at the registration desk.

ACCME Continuing Education Credit

Joint Providership Accreditation Statement:

The American Group Psychotherapy Association (AGPA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement - The AGPA designates this live activity for a maximum of 21.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Commission on Accreditation for Prehospital Continuing Education (CAPCE)

The NAEMSP® National EMS Medical Directors Course & Practicum® has been approved by the Commission on Accreditation for Prehospital Continuing Education.

FACULTY DISCLOSURE

Faculty for this activity have been required to disclose all relationships with any proprietary entity producing health care goods or services, with the exemption of non-profit or government organizations and non-health care related companies. All disclosure information provided to NAEMSP will be reviewed to ensure that no conflicts of interest exist prior to the confirmation of the individual for the educational assignment. Disclosure of relevant financial relationship(s) does not disqualify the individual from participating in the CME/CE activity, however, requires resolution/mitigation prior to their continued participation in the CME/CE activity.

The below listed faculty have disclosures:

First Name	Last Name	Financial Relationship
Peter	Antevy	Founder, Pediatric Emergency Standards, Inc.
J. Brent	Myers	Employee, ESO
Doug	Kupas	Medical Advisory Board/Stockholder: Securisyn Medical
Ashish	Panchal	Grants: Center for Serological Testing to Improve Outcomes from Pandemic COVID-19; Improving patient safety using Virtual Reality (VR) to train and assess emergency personnel responding to a mass casualty event

DISCLAIMER STATEMENT

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, our accreditor. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

EVALUATION/CME

All attendees are required to claim CME electronically. Refer to the NAEMSP app for more information. Please keep notes of your comments on speakers, etc. for your use on the electronic evaluation.

In order to receive your continuing education (CE), you are required to submit the electronic evaluation within two weeks of the commencement of the course. Your certificate of completion will be issued electronically immediately following your submission to the evaluation.

Please also complete the onsite electronic feedback – the link will be given at the close of each day.

ONLINE MATERIALS

All presentations and reference material are on the dedicated website for participants. Please bookmark this link for future reference: <https://naemsp.org/mdc-2024-2/> – this link is NOT accessible from the NAEMSP® main website.
