

CAPCE Mobile App - User Instructions

Step 1 Download the CAPCE mobile app. It is available on both Apple and Google Play platforms.

Step 2 Register your information. This step is very important because it is how we are able to connect your past records with NREMT, EMS ID, and State course completions to your dashboard.

First Name	Middle Last Name	
Phone (Nur	nbers Only)	
Email		
Password		
Confirm Pa	ssword	
	REGISTER	
Com	plete all fields he	ere

Step 3 Go to settings to complete or edit your profile. Step 4 Once all your information is completed you will be able to access your dashboard.

ABOUT CAPCE

\leftarrow

98 Courses Completed 12 Lead EKG

Advanced 1 Completed: 8/5/2022 12:00:00 AM Reported 8/5/2022 12:00:00 AM

AEMT Refresher

Advanced 12 Completed: 8/3/2022 12:00:00 AM Reported 8/3/2022 12:00:00 AM

12 Lead EKG

Advanced 1

Completed: 7/17/2022 12:00:00 AM Reported 7/17/2022 12:00:00 AM

Ambulance Safety

Basic 1

Completed: 7/17/2022 12:00:00 AM Reported 7/17/2022 12:00:00 AM
